Dear Felix;

After careful review we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you cease immediately all present activities that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be reinstated.

Sincerely yours,

*Robert M. Shoemaker*

Dear Paul;

In response to your letter of July 24, we do not have any specific details regarding Felix Diaz, Jr. We have suspended him from all of his leadership positions, as have the chartered organizations with whom he was registered. I have talked with him on the phone, but to my amazement there has been no newspaper publicity or any announcement of his problems.

So until we get something concrete, I don't know if there is anything further I can do. I will keep you posted.

Sincerely,

Bob Shoemaker

PERSONAL AND CONFIDENTIAL

Dear Bob:

I was notified by our communications people that an individual by the name of Felix Diaz Jr. was a potential candidate for the confidential file. It was indicated that he was registered with unit 565.

I am enclosing a Confidential Record Sheet, which I would like for you to complete so that we may easily indentify Mr. Diaz. This will insure that he cannot register should he move to another council.

As this case comes to trial we would like to have copies of any court records which are available and newspaper clippings, which will give us details and final disposition.

If you can give us more particulars concerning this matter through statements from individuals this will also be most helpful.

Call me if you have any questions. Thanks for your help.

Sincerely,
